## CONSUMER COMPLAINTS PROCEDURE

### What to do if you have a Complaint

#### Convex Insurance UK Limited Complaints Handling Policy

Our aim is to provide you with the best possible service at all times. If you feel that we have fallen short of that or made a mistake, then we want you to let us know. We will take your complaint seriously and do our best to investigate and resolve it as quickly as possible. We have established the following complaints handling procedure to ensure that this happens.

#### Step 1

Tell us about it. There are different ways you can do that.

- Contact your normal contact at Carriagehouse Insurance or at Convex. Let them know that you are dissatisfied with the service you have received and tell them why.

You can contact us by email, telephone and letter.

- Contact the Chief Compliance Officer, Lorraine Mullins:  
[lorraine.mullins@convexin.com](mailto:lorraine.mullins@convexin.com)  
Tel: +44 (0)7919 603210  
Convex Insurance UK Limited  
52-54 Lime Street  
London EC3M 7AG  
United Kingdom

We will acknowledge your complaint promptly and we will let you know who will be handling your complaint and provide you with their contact details.

#### Step 2

We aim to resolve your complaint as soon as possible. If it is complicated or we need to investigate the circumstances further then we may not be able to resolve it straight away and it may take longer depending on its complexity. We aim to get you a final response within eight weeks of receiving your complaint. If we cannot do so then we will tell you why it is taking more time and let you know what we are doing and how long we expect it will take to resolve.

#### Step 3

If you are not happy with our response or actions and feel that the matter has not been resolved to your satisfaction, then there are two options to take it further.

You may be eligible to refer your complaint to the Financial Ombudsman Service, the "FOS". Please note that there are time limits within which you must contact the FOS.

### Our commitment

All complaints are reported to and overseen by the Chief Compliance Officer. If we get a complaint or have done something wrong or failed to do something well, we will do our best to put it right and to learn from it by root cause analysis. We will make sure that we investigate and establish what went wrong and why. We will then work out what we need to do to prevent that happening in the future and also consider whether any other customers could have been affected. Irrespective of whether we have had complaints we will report regularly on complaints and root cause analysis and remediation in our management information to the executive management committees and to the Board of Convex Insurance UK Limited.
